

## DYNAMIC ATTORNEY MASTERMIND GROUP FORMING:

Led by Eleanor Southers, owner Professional Legal Coaching and Mastermind Facilitator

Mastermind Groups were originated by Napoleon Hill author of THINK AND GROW RICH and have helped people for several generations come together to support each other in reaching greater success and happiness. "Two minds create a third person".

The structure of the Group forming now is as follows:

- Meet twice a month on Mondays beginning Monday, March 7, 2016.
- Meetings will be 90 minutes long and will be in person or if occasionally unable to attend, then by phone or skype.
- **Will be limited to attorneys who want to increase their revenue through new marketing skills and more effective networking.**
- **Will be limited to attorneys ready to take a chance to improve their lives with the help of a trained and experienced facilitator and support of like-minded attorneys.**
- All participants will sign a confidential agreement so that there can be a free discussion of needs.
- Group is limited to a maximum of 6 attorneys.
- Group will meet at my office: 1362 Pacific Ave., Santa Cruz, Ca 95060.
- Time will be early morning or late afternoon and will be decided after group is formed and what is most convenient for the participants.
- Participants are asked to make a 3 month commitment and the cost is \$450.00 (payments possible). Participants will also receive a copy of my book, BE A BETTER LAWYER: A short guide to a long career.
- Participants will commit to formulating and working on personal goals consistently for three months.
- I promise that in three months participants will be equipped to earn more dollars and have some fun along the way while using new skills/tools.

Enrollment takes place during February, 2016. In order for this kind of group to work, we need to put together attorneys who are focused and want to make a difference in their careers. Also ones who are tired of working on their own and want the comradery of a group that wants to talk about their business. Therefore, only serious applicants should apply.

Please fill out the brief application below and email it to me ASAP. Applications close Feb 29, 2016 so we have time to begin on Monday, March 7, 2016 and we will only be taking 6 attorneys. Email: esouthers@aol.com or call 831 466-9132.
